During the last five years, none of the Reporting Persons, nor, to the best knowledge of the Reporting Persons, any of their respective executive officers, their respective managing members or any persons controlling their respective managing members has: (1) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (2) been party to a civil proceeding of a judicial or administrative body of competent jurisdiction and, as a result of such proceeding, was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

The address of the business office of each of the Reporting Persons is One California Street, 30th Floor, San Francisco, California 94111.

Item 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

The shares of Common Stock herein reported as being beneficially owned by the Reporting Persons were acquired by SailingStone directly acting solely on behalf of its investment advisory clients. SailingStone has purchased a total of 42,158,502 shares of Common Stock in open-market purchases for an aggregate consideration of \$1,129,099,363 (exclusive of brokerage commissions). To the best knowledge of the Reporting Persons, the funds used in such purchases were from SailingStone's available investment capital and none of the consideration for such shares of Common Stock was represented by borrowed funds.

Item 4. PURPOSE OF THE TRANSACTION

The Reporting Persons acquired the shares of Common Stock to which this Schedule 13D relates for investment purposes in the ordinary course of business. The Reporting Persons acquired the shares of Common Stock because they believed that the shares of Common Stock reported herein, when purchased, represented an attractive investment opportunity.

The Reporting Persons and their representatives have, from time to time, engaged in, and intend to continue to engage in, discussions with members of management and the board of directors of the Issuer (the "Board"), other shareholders, industry analysts, existing or potential strategic partners or competitors and other third parties regarding a variety of matters relating to the Issuer, which may include, among other things, the Issuer's Board composition and strategic alternatives and direction, business, management, capital structure and allocation, and may take other steps seeking to bring about changes to increase shareholder value as well as pursue other plans or proposals that relate to or could result in any of the matters set forth in clauses (a)-(j) of Item 4 of Schedule 13D.

The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors, including, without limitation, the outcome of any discussions referenced above, the Issuer's financial position, results and strategic direction, actions taken by the Issuer's management and the Board, price levels of the shares of Common Stock, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate, including, without limitation, exchanging information with the Issuer pursuant to appropriate confidentiality or similar agreements; acquiring additional shares of Common Stock and/or other equity, debt, notes, instruments or other securities of the Issuer (collectively, "Securities") or disposing of some or all of the Securities beneficially owned by them, in public market or privately negotiated transactions; entering into financial instruments or other agreements that increase or decrease the Reporting Persons' economic exposure with respect to their investment in the Issuer and/or otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D.

Item 5. INTEREST IN SECURITIES OF THE ISSUER

The aggregate percentage of shares of Common Stock reported to be beneficially owned by the Reporting Persons is based upon 249,237,217 shares of Common Stock outstanding as of April 20, 2018, as reported in the Issuer's Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2018, filed with the SEC on April 25, 2018.

As of the date hereof, the Reporting Persons collectively may be deemed to beneficially own 42,158,502 shares of Common Stock, which represents 16.92% of the outstanding shares of Common Stock. The number of shares of Common Stock which may be deemed to be beneficially owned by the Reporting Persons are as follows:

	<u>Shares Deemed to be Beneficially Owned By:</u>	<u>Nature of Ownership</u>	<u>Percentage of Class</u>
