RRC-EQT Transaction Business Partners Letter

To: Range Business Partners
From: NAME, TITLE
Subject: Range Resources Corporate Update
Date: October 27, 2026

We announced that we have entered into an agreement to be acquired by EQT Corporation. Over the years, you have supported the Range mission, and we thank you for helping us build an industry-leading company that has proven to be innovative, resilient and successful for decades.

This decision was guided by a shared vision to deliver a new level of scale, efficiency and success. The result is what we expect to be the creation of America's leading natural gas company with the largest natural gas marketing platform in the country. You can read more about the announcement in our press release here.

With EQT, we will scale our business, expand our reach and accelerate our mission to develop and deliver reliable natural gas and NGLs for customers and partners around the world. Bringing together our premium inventory, technical capabilities and diversified marketing portfolios, we expect to create the country's largest and only vertically integrated natural gas producer with leading inventory depth and a low-cost structure. The combined business will have an operating footprint with nearly 3 million net acres, access to more than 3,700 miles of crucial midstream infrastructure and more than three decades of future drilling inventory. Together, we will have best-in-class, low-cost production inventory and expansive infrastructure to meet the needs of our customers. We expect to unlock new opportunities to work together as we scale our business and meet domestic and international demand.

It's important to remember that this is just the first step in the process. We expect the transaction to close during the first quarter of 2027, subject to the receipt of required regulatory approvals and clearances, approval by shareholders of both EQT and Range and the satisfaction of other customary closing conditions. Until then, Range and EQT will continue to operate as separate, independent companies. In the interim, we will continue to work with you as we always do. Please don't hesitate to reach out to [your usual contact / me] with any questions.

We appreciate your partnership and continued support for Range. We look forward to working with you for years to come.

Sincerely,

Actual outcomes and results may be materially different from the results stated or implied in the forward-looking statements included in this communication due to a number of factors, including, but not limited to: the occurrence of any event, change or other circumstances that could give rise to the termination of the merger agreement related to the proposed transaction (the "Merger Agreement"); the possibility that shareholders of EQT may not approve the issuance of EQT shares required in the proposed transaction; the possibility that the shareholders of Range may not adopt the Merger Agreement; the risk that EQT or Range may be unable to obtain governmental and regulatory approvals required for the proposed transaction, or required governmental and regulatory approvals may delay the proposed transaction or result in the imposition of conditions that could cause the parties to abandon the proposed transaction; the risk that the parties may not be able to satisfy the conditions to the proposed transaction in a timely manner or at all; risks related to disruption of management's time from ongoing business operations due to the proposed transaction; the risk that any announcements relating to the proposed transaction could have adverse effects on the market price of EQT's or Range's common stock; the risk of any unexpected costs or expenses resulting from the proposed transaction; the risk of any litigation relating to the proposed transaction; the risk that the proposed transaction and its announcement could have an adverse effect on the ability of EQT and Range to retain and hire key personnel, on the ability of EQT or Range to attract third-party customers and maintain their relationships with derivatives and joint venture counterparties and on EQT's and Range's operating results and businesses generally; the risk that problems may arise in successfully integrating the businesses of EQT and Range, which may result in the combined company not operating as effectively and efficiently as expected; the risk that the combined company may be unable to achieve synergies or other anticipated benefits of the proposed transaction or it may take longer than expected to achieve those synergies or benefits and other important factors that could cause actual results to differ materially from those projected; the volatility in commodity prices for crude oil and natural gas; the effect of future regulatory or legislative actions on EQT and Range or the industry in which they operate, including the risk of new restrictions with respect to oil and natural gas development activities; the risk that the credit ratings of the combined business may be different from what EQT and Range expect; the ability of management to execute its plans to meet its goals and other risks inherent in EQT's and Range's businesses; public health crises and any related government policies and actions; the potential disruption or interruption of EQT's or Range's operations due to war, accidents, political events, civil unrest, severe weather, cyber threats, terrorist acts, or other natural or human causes beyond EQT's or Range's control; the combined company's ability to identify and mitigate the risks and hazards inherent in operating in the global energy industry; and other factors detailed in EQT's and Range's Annual Reports on Form 10-K for the year ended December 31, 2025 and subsequent Quarterly Reports on Form 10-Q and Current Reports on Form 8-K.

All such factors are difficult to predict and are beyond EQT's and Range's control. Additional risks or uncertainties that are not currently known to EQT or Range, that EQT or Range currently deem to be immaterial, or that could apply to any company could also cause actual outcomes and results to differ materially from those included in the forward-looking statements in this communication.
