Item 8.01. Other Events.

On August 17, 2016, Range Resources Corporation (“Range”) announced the early tender results as of 5:00 p.m., New York City time, on August 16, 2016 (the “Early Tender Deadline”), of its previously announced exchange offers for certain of Range’s and Memorial Resource Development Corp.’s (“Memorial”) notes and the cash tender offers for Memorial’s notes (collectively, the “Offers”).

In connection with the Offers, Range solicited consents from noteholders to amend the indentures governing notes subject to the Offers (each, an “Existing Indenture”) to eliminate certain of the covenants, restrictive provisions and events of default (collectively, the “Proposed Amendments”).

The Offers and related consent solicitations are subject to the satisfaction of certain conditions, including, among other things, the consummation of the merger of Range and Memorial pursuant to the Agreement and Plan of Merger, dated May 15, 2016 (the “Merger”). The consummation of the Merger is not conditioned upon the completion of any of the Offers or related consent solicitations.

Based on the receipt of the requisite number of consents in the consent solicitations, Range or Memorial, as applicable, and the respective guarantors will execute supplements to each of the Existing Indentures (each, a “Supplemental Indenture”) with the trustee under each Existing Indenture with respect to the applicable Proposed Amendments. Each Supplemental Indenture will become effective upon execution, but provides that the applicable Proposed Amendments will become operative only upon consummation of the applicable Offer, as well as the consummation of the Merger.

Holders who have not yet tendered their existing notes subject to the Offers (the “Existing Notes”) have until 11:59 p.m., New York City time, on August 30, 2016, unless extended by Range (the “Expiration Time”), to tender their Existing Notes pursuant to the Offers.

The deadline for holders to validly withdraw tendered Existing Notes and validly revoke their consents expired at 5:00 p.m., New York City time, on August 16, 2016 (the “Withdrawal Deadline”). Therefore, any additional Existing Notes tendered and consents delivered may not be validly withdrawn or revoked, except as required by law. In addition, because the Early Tender Deadline has passed, the previously disclosed exchange and payment terms relating to periods after the Early Tender Deadline are now in effect until the Expiration Time.

A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
